Student Autobiography

Page 2

What is it that you like about academics and extracurricular activities? If your grades have been good in school tell why you believe that they have been good. If your grades have been poor tell why you believe that they have been poor.

Have you considered what you might like as a vocation or career when you are an adult? Write about that.

Do you sing or play an instrument? Do you have a hobby or special interest? Do you play golf or tennis or engage in another sport?
